My Bastard Church- Destined To Damnation

“Many of My Church are not Mine, My son. They are bastards, and not sons. Birthed of the flesh, I shall never work in them, they are not Mine. Only My ones birthed of My Spirit are Mine. Many you see in My Church shall fall away in My Great Falling Away- they were never Mine and I do not work in their lives. Maintained for now by the flesh, My Spirit does not lead them, they are not Mine. Destined to damnation they do not do My works- they are only in it for the good times, My grace and My joy. I do not know them because they do not do My will. They infest My Church by the millions and shall be damned forever, My son. I shall separate My Goats from My Sheep, and My Goats shall endure everlasting punishment forever. My Goats are everywhere- they do not know Me nor do My will- they are in it only for the good times, and shall fall away forever. My Bastard Church shall fall away, and only My Sheep shall be left, My son. They do not have Me working in their lives and shall not endure the harsh End Times. Your LORD has spoken. Amen and amen forever!”
